The following notice has been issued by the distributor:

IMPORTANT – SAFETY NOTICE.

CROWN®

Product safety
warning –
Crown Upright Fan
Heater –
**Model No.:- CRH-
UF04**

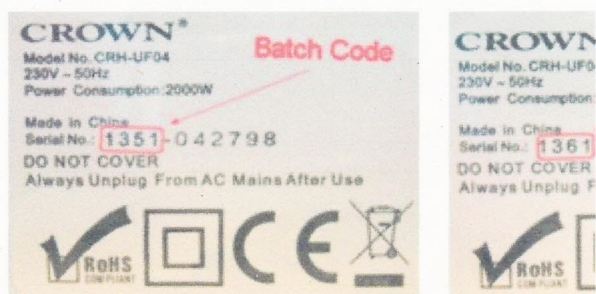

18 January 2012

We have become aware of a problem affecting the CROWN Upright Fan Heater, Model CRH-UF04. It is possible that the product may overheat leading to a fire risk and potential exposure to melted plastic.

Please could you **STOP USING** the product immediately and check whether your product is affected.

To check whether your product is affected you will need to check the batch code. This can be found printed on the underside of the heater on the silver rating plate.

The only batch codes affected are: 1351 and 1361.

If your product is affected, please return to your local store for a full refund.

No other CROWN Fan Heaters are affected by this recall.
