Product recall

Tesco Halogen Heater 1200W and 1600W - recall

The following notice has been issued by the retailer:

Tesco product recall

Tesco Halogen Heater 1200W and 1600W

After a detailed investigation Tesco is recalling the above Halogen Heaters as a precautionary measure. This follows the matter being brought to our attention by another retailer selling the identical product.

What you should do:

If you have purchased one of these heaters please return it to your nearest Tesco Extra or Superstore where you will be given a full refund
