

Wickes 2kW Fan Heater - recall

The following notice has been published in the national press:

Product Recall

Wickes 2kW Fan Heater

Product Number: 218601

There is a potential safety issue with the plug/fuse on the above heater that may cause it to overheat and could be a fire hazard.

This recall only affects the above product sold between October 2011 and February 2012. If in any doubt please ring the Helpline to obtain advice.

We would advise customers who purchased the heater to disconnect them immediately and return them to the nearest Wickes store for a full refund.

Wickes strive to provide customer satisfaction and safe quality products at all times and would like to apologise to our customers for any inconvenience that this may have caused.
